

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF RHODE ISLAND

UNITED STATES OF AMERICA,

v.

DEWANE TSE

Criminal Case No. 13-CR-016M

GOVERNMENT'S MOTION TO DISMISS INDICTMENT

Under Rule 48 of the Federal Rules of Criminal Procedure, the Government moves to dismiss the Indictment in the above-captioned matter. The matter is presently not at trial and the Government no longer seeks to pursue prosecution.

The Government notes that pending before the Court in this case is a question of interpretation relating to a decision on a motion to suppress statement and the possible need for issuance of a clarification. That matter should be resolved prior to any decision on this request to dismiss. Dismissal will result in closure of this case, and closure may interfere with the Court's ability to issue a clarification. The Government suggests that clarification be addressed prior to the effectuation of any dismissal.

Respectfully submitted,

PETER F. NERONHA
United States Attorney
